Please let us know if there is anything we can do to improve our provision and try to inform us in advance of your visit if you have special requirements.

We are able to provide:-

- a member of staff to meet you on arrival and accompany you on your visit to our school
- a communicator / signer booked in advance of the visit for anyone who needs this service
- a seat next to the aisle at school concerts and special events for anyone who needs 'extra space' or is a wheelchair user
- special dietary requirements can be catered for with advance notice
- documents in a variety of languages provided by the translation service of the City and County of Swansea

We will try to make your visit as comfortable and enjoyable as possible.

Disability Equality Scheme

It is a legal requirement for every school to consult with all persons working in and with our school in addition to pupils and parents in order to assess the degree of need for any additional provision.

The school has not received any responses which indicated need for additional provision to date.

If, at any time, you wish to ask the school to consider any additional need or provision for yourself please do not hesitate to contact the Headteacher.
